Sir,

Adverting to Government Notification No.J.1475/Police 07-6 dated 11th November 1907 authorizing the acquisition of six sites in Chamarajpet, Bangalore City for the construction of Police Lines, I have the honor to state that the Vice President who was authorized to acquire the lands in question reports in his docket No.2900 dated 11th June 1910 that excepting the site No.1119 which has to be acquired, the remaining sites have been acquired. Site No.1119 was first acquired. But, subsequently, the said site not being required by the Police Department was given in exchange for another site No.1116 required for the Police Lines. Now the said site No.1119 is so stated to be necessary. As this site after acquisition from its former owner was given away in exchange to another person, it has to be acquired again. The declaration statement in English and Kanarese for the same, herewith submitted, may, therefore be caused to be published in the Gazette, the Municipal Vice President who conducted the acquisition of the rest of the sites being authorized to take order for the acquisition of the site in question also.

I have the honor to be

Sir,

With reference to your docket No: L. 1963 / Police 125-10-2 dated the 9th January 1911, regarding the acquisition of site No: 119, in Chamarajpet, Bangalore City, for the police lines, I have the honor to state that the Vice President, Bangalore City Municipality, who has been authorized to conduct the acquisition of the sites in question, has

red with

reports that some time after the Site No: 1119 had been acquired out of the six sites originally intended to be acquired, as per Government Notification No: 1475/Police 34-07-6 dated the 11th November 1907, the District Superintendent of Police intimated that sites Nos: 1115 & 1116 only were sufficient for the purpose, that accordingly, these two sites were acquired: and site No: 1119 already acquired not being required by the Police Department, was given in exchange for Site No: 1116, in lieu of money compensation: as both the sites, viz. 1116 & 1119 were of the same extent & value. But subsequently the Police Department wanted all the six sites originally ordered to be acquired for the Police lines, and requested that the remaining four sites, Nos: 1117, 1118, 1119, & 1120 may also be acquired

Accordingly three of the said four sides were acquired, leaving the remaining side Rs: 1119. Since this was once acquired, as per original notification, and subsequently given away, the same cannot be now acquired again without a declaration to the effect in the Gazette.

As to the provision of the cost of acquiring the same (Site Rs: 1119) I beg to state that it is ascertained that the amount has been drawn and kept in deposit by the Vice President.

I have the honor to be
